Things to Know:

- Eat a good breakfast!
- Come to the buses dressed in your full costume with your hair and make up ready for the show. We will not be able to change there.
- Bring money for food at the competition or bring snacks.
- Food and drinks cannot be brought into the theater.
- Always clean up after yourself.
- Turn all cell phones off and do not talk while other groups are performing.
- If you bring a bag, it can be left on the bus during the day.
- For safety, everyone will need to go to the competition and home from the competition on the buses. You may not come up to me at the competition and ask to leave with your parents. Other arrangements would need to be made at least 3 days before the trip with a note signed by a parent. Bus rides are great for bonding that you won't want to miss out on!
- Make sure your parents are ready to pick you up when we return to BJH.
- I will not be coming home with you since groups from the HS are performing later in the day. Please respect your chaperones when I am not there.
- **HAVE FUN!!!!** 🎉
