SPONSORSHIP FORM 2019 - 2020

Dear Choir Supporter:

Brea Olinda High School Choir is asking for your help. Our goal is to give our students the opportunity to experience the joy of singing while providing them with many opportunities to perform. The choir program at Brea Olinda High School has a strong history of exceptional success! Not just in winning awards, but in fostering teamwork and developing each choir member's individual strengths. This is a wonderful program.

Unfortunately, our program receives no funding from the district or state and yet the cost of continuing to run a successful program that reaches such a large number of students remains high. Our booster club is always fundraising to support our very talented performers but to make this dream a reality we need additional support from private donors like you.

Would you please consider sponsoring a student for a donation amount of your choosing?? As a choral sponsor you will receive an income tax deduction (we have 501(c)3 status) and gratitude from our singers and parents for your generous support. Please fill out the form below and return it with your donation to the following address:

DID YOU KNOW...?

The Brea Olinda High School Choir program includes 5 choirs!

Masquerade

(Choir families are asked to be responsible for \$900 per child for this choir)

This is our advanced competitive show choir with both boys and girls. They compete multiple times a year and are consistently ranked nationally as one of the top show choirs in America. This past year, we won multiple competitions and were ranked 32nd in the country.

Spellbound

(Choir families are asked to be responsible for \$900 per child for this choir)

This is our advanced competitive all female show choir. They compete multiple times a year and have reset expectations of what a top female choir can do over and over.

Tiffany's

(Choir families are asked to be responsible for \$600 per child for this choir)

This is our intermediate competitive all female show choir. Not only is this group great for learning choral basics, but it is also one of the most successful in competitions. This past year, they were undefeated!

Chamber Singers

Chamber is a smaller group of elite singers who sing more traditional choral music in a variety of styles and languages from all musical periods. We also learn about music theory, ear training, music history, and more. Chamber attends classical college music festivals and is in charge of numerous events on campus including Brea Idol and Singing Valentines.

Thundercats

This all male group is one big hairball of fun! They are not officially a class, but meet during lunch and outside of school as a club on campus. They do compete, but focus more on making people laugh. Sometimes they succeed at one or the other...

Nationals! Nashville 2020

March 5th – 8th, 2020 – Masquerade & Spellbound will hopefully be traveling to Nashville to compete with groups from around the country at the Heart of America Competition! Each choir child is responsible for raising the funds for this trip, and the cost will be approximately \$1,000 per student. (\$400-competition entrance fees & 3-night hotel room package, \$400-round trip airfare, \$125-transportation & experiences in Nashville, \$75 – food money)
